Compact Full-Suspension
Powerboat Seat

For outdoor use

TECHNICAL DATA

AVENTO PREMIUM

Thanks to its revolutionary shock-absorption technology, the compact full-suspension seat for powerboats reduces vibration, minimizes jolts, and supports the body even in extreme situations.

Variety of challenges

Powerboat seats must stand up to a variety of challenges: they have to reduce vibration, absorb strong shocks that can occur at high speeds, minimize fatigue, and provide an ergonomic, back-friendly boating experience.
